

RGS8

20L PREMIUM BACKPACK

Our premium backpack at 20l is perfect for comfortably carrying a large amount of gear.

Designed to carry high on the back allowing easy access to a climbing harness, and with built in breathable foam padding for extra comfort.

The adjustable sternum strap improves security and stability when active. It comes with two spacious main compartments, each with their own additional inner pocket meaning gear can be sectioned for easier access.

It also comes with outer attachment points and outer side pockets.

- / Attachment points on outer bag
- / Sternum strap
- / Breathable foam padding
